Results and observations

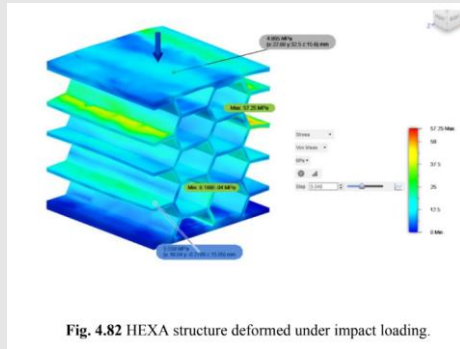

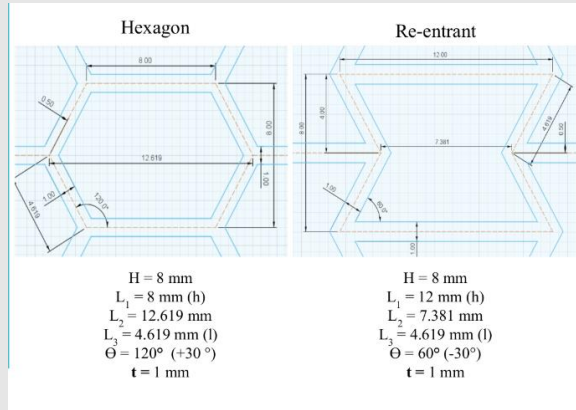

Fig. 4.45 AU structure with prescribed displacement (X_1 loading).

Fig. 4.46 AU honeycomb structure after 2mm displacement in X_1 direction.

Fig. 4.47 AU honeycomb structure after 6mm deformation in X_1 direction.

Fig. 4.58 AU structure after 2mm deformation in X_2 direction.

Fig. 4.59 AU structure after 8mm of deformation in X_2 direction.
